

*"There is no difficulty that enough love
will not conquer.*

*There is no disease that enough love
will not heal.*

No door that enough love will not open

*No wall that enough love will not throw
down*

And no sin enough love will not redeem

*It makes no difference how deeply
seated may be the trouble*

How hopeless the outlook

How muddled the tangle

How great the mistake

*A sufficient realisation of love will
dissolve it all*

*And if you could love enough you would
be the happiest and most powerful
person in the world*
